The **2006-2007 Positive Passions Media Challenge** is your chance to share your voice and make a statement through your creativity!

If you are in grades **4–9** in a Erie County, Pennsylvania school, this is your opportunity to use your talents to do something good for the community!

The goal of the **Health Youth Development Youth Media Challenge** is to raise youth awareness of the 40 Developmental Assets and promote them. This year we have chosen to focus on one of the assets for the challenge: **Being a Positive Influence on your Friends.**

To see a complete list of the 40 Assets, log onto our Web site www.eriearea4youth.org

The 40 assets are building blocks of healthy development. These tools can help young people grow up healthy, caring and responsible.
